SIXTH FORM BULLETIN

Welcome to the new look for the sixth form bulletin. It has been a busy but productive week in the sixth form.

It has been good to see all of the Year 13 students who are focused on revising ahead of their mocks in a few weeks time. Additionally, we are seeing a positive improvement in the quality of supervised study, we know from the student surveys back near half term that we are still on a journey with making these silent and productive opportunities for everyone to work. Thank you to everyone who is doing their best to support their peers to make the library a silent and productive study space - it has not gone unnoticed.

Well done to everyone who has sent their UCAS application off already. It has been great to see all the offers coming in. If you have not completed your application and submitted it, please do this as soon as possible.

Mr Sainsbury is meeting with everyone when they have submitted their form to school to review the application before it gets sent off. If you have submitted yours and are at this stage - check your emails regularly for an invitation to meet with him.

Anthony Nolan

There was a fantastic reception for Anthony Nolan on Tuesday, they were very appreciative of the support and the positive engagement that they experienced.

If you registered but changed your mind, you do always have the option to remove yourself from the register. All you need to do is to email register.support@anthonynolan.org or ring 0207 424 6567 and let them know so they can remove you from it.

Please speak to a member of the sixth form team if you have further queries.
