Apprenticeships

This week our Year 12s had an assembly around apprenticeships. The websites discussed in the assembly were:
https://www.gov.uk/apply-apprenticeship
https://www.ucas.com/explore/search/apprenticeships
we also discussed lots of different companies by identifying their logo and they have direct applications on their websites so please have a look at those if this is an option you are considering. Apprenticeship schemes are open all year round and early application is advised.
Next week Year 12s will have another talk and workshop on Apprenticeships.
