Year 12 and Year 13

We are particularly excited about next week's Model United Nations (MUN) Day, which promises to be an engaging and inspiring experience, giving students the chance to debate global issues, develop their leadership and communication skills, and work collaboratively with their peers. We look forward to seeing everyone embrace the opportunities ahead and make this half-term a successful one.

Year 12 have their trip to the University & Apprenticeship Fair on Thursday, the event offers the opportunity to explore a range of universities, apprenticeships, and post-18 pathways. Students will be able to speak directly with representatives. It promises to be a valuable and informative time for anyone already considering their next steps after Sixth Form.
