Year 13 Law trip

Sixth Form Law Trip: Old Bailey and Royal Courts of Justice

Sixth Form law students recently visited the Old Bailey and the Royal Courts of Justice, where they had the exciting opportunity to observe live court proceedings and take part in a mock trial.

Throughout the day, students conducted themselves exceptionally well and were a credit to the Sixth Form. At the Old Bailey, they observed a range of cases in progress, gaining a valuable insight into the criminal justice system. Students were able to witness different stages of court proceedings, from the swearing-in of jurors through to closing speeches, helping to bring their studies to life and deepen their understanding of the legal process.

The highlight of the visit was taking part in a mock trial at the Royal Courts of Justice, where students assumed the roles of barristers and presented arguments before a judge. This provided an excellent opportunity to develop their advocacy, communication and critical thinking skills in a realistic legal setting.

Students reflected positively on the experience, with many commenting that participating in the mock trial and observing real court proceedings had strengthened their interest in the legal profession. Several students stated that the visit had confirmed their desire to pursue a career in law in the future.

Overall, the trip was both educational and inspiring, providing students with a unique insight into the workings of the legal system and helping them to make informed decisions about their future aspirations.
