Sixth Form Bulletin 23/10/26

News:

We would like to thank you all for the positive start to the year. We hope you take the opportunity to rest, recharge and return ready for the challenges and opportunities of the next half term. With the colder weather now arriving, please ensure you are dressed appropriately for the season. Smart coats may be worn to and from Sixth Form and outdoors around the site, but should be removed once inside lessons and study areas. Maintaining our high standards of dress and presentation helps to create the professional Sixth Form environment that we are all proud to be part of.

Year 12

As we reach the end of your first half term in Sixth Form, you should all be proud of how far you have come. Whether you made the transition from the main school into a new environment, or joined us from another school and embraced a completely new community, you have approached the challenge with maturity and determination. It has been wonderful to see new friendships formed, different backgrounds brought together, and a genuine sense of unity develop across the year group. The positive start you have made has been mentioned by many staff across the Sixth Form and School.

Sixth Form Bulletin 23/10/26

Year 13

You should all take pride in the way you have approached the start of this year. Returning with a fresh sense of maturity and purpose, you have embraced the demands and responsibilities that come with being the senior students in the Sixth Form. You have adapted positively to changes within the school community, shown respect and understanding as policies have evolved, and supported the increased use of Sixth Form spaces with consideration and flexibility. Most impressively, you have met the heightened academic expectations of Year 13 with determination and resilience.
