Dear Parents/Carers

## Extra-Curricular PE Clubs

I am pleased to advise you that extra-curricular PE clubs will be running again with effect from Monday 19 April 2021, with year groups being allocated specific days to attend clubs. This will allow us to keep students within their bubbles as much as possible and work in separate areas. There will be no continued commitment required to attend the same club each week and we encourage all students to attend whichever clubs they wish.

Details of the clubs are detailed overleaf.

Parents/carers must authorise for their son/daughter to participate in a specific club a week in advance, to enable us to have a record of who is planning to attend the clubs. There will be a limit of 30 students per club. If a space is unavailable for a particular week, parents/carers will be contacted to inform them of this, and their son/daughter will automatically be allocated a place for the following week. If you do not receive a response after submitting a completed form, then your son/daughter will have been allocated a place and should attend the club.

To sign up for a club, please complete a Microsoft Forms each week. The links can be found in the school bulletin each week. The Microsoft Form will be 'live' from the Wednesday – Friday during the week before each club is scheduled to take place. A link to the form for next week's clubs can be found below:

Each club will run until 4:30pm and students should make appropriate arrangements for their journey home at that time. All attending students should arrive to school in their PE kit for that day as changing rooms will not be available. If any specific sporting equipment is required e.g. football boots, these should be brought in also.

Thank you in advance for your support and I look forward to seeing students taking part in extra-curricular PE clubs again.

Yours faithfully

Mr A Cunningham  
Head of Faculty - PE & Creative Arts
