

Weekly Student Bulletin for Braintree Sixth Form Students Friday 25th November 2022

Dear BSF Students

It has been quite a quiet week in BSF. Many of you have been working on your application letters ready for the mock interviews next week as well as UCAS applications for Year 13. If you have not completed your UCAS application yet, please make that your priority as our aim is to get them all off by the end of November!

Year 12 should be working hard on the final touches of their Enterprise project now. Letters have gone out to Year 7 parents asking them to bring in money so let's make sure we have plenty on offer for them to choose from. If you need to use an electrical appliance for your stall, you will need to get it safety tested before you can use it. Please bring it to Mr Bridgwater on Monday 5th December to be tested. In the past, students have decorated their stalls so please think about how you can make yours stand out, especially if you are offering a similar product to another group.

Well done to Daniel, Caitlan and Ms Shepherd for running the highly popular Video Game Club on Wednesday lunchtimes for the lower school.

Opportunities for you

Work Experience Courses for Medicine

The PremedProjects Team are offering 3 very special courses in December for students, an in person day in London and 2 online courses, each specially created by NHS doctors for students interested in careers in medicine.

1. On **Saturday 10th December**, students have permission to enter the **dissection room** at a hospital in London (students must be aged 14-18) where they will be tutored in brain anatomy from one of the world's leading authorities on neuroanatomy and NHS consultants. A unique and very special work experience day for all students applying to medicine, students can see all the details here: [London Hospital Experience - 1 Day - Premed Projects](#) Students are already attending from all over the UK and Europe so interested students should confirm places on this one as soon as they can.
2. **Emergency Medicine live on Saturday 4th December**. You can expect to learn about the treatment and management of major trauma and medical emergencies. With insights into pre-hospital and emergency medicine. Students can see more information here: [Emergency Medicine Live - Premed Projects](#)
3. **Medicine Case Studies live on Monday the 5th December at 7.30pm**. There are 500 free places on this course which will probably go pretty quickly, to attend the course, students just need to register here: [Medicine Work Experience Live - Premed Projects](#)

UniTaster Days

Get a taste of studying an Animation, Game Art or VFX degree. Students are invited to an undergraduate taster day on Saturday 3rd December. This is a great opportunity for students interested in a career in the creative industries. Book here: [Undergraduate Taster Days \(pearsoncollegelondon.ac.uk\)](#)

Event details:

Date: Saturday 3rd December 2022

Time: 10.30am - 1.45pm

Where: Escape Studios, 190 High Holborn, London, WC1V 7BH or online

Summer Career Experiences in London: Live Q&A - For Students and Parents: Tuesday 6th December

Investin are pleased to invite parents and students to attend a live online Q&A about their once-in-a-lifetime Summer Career Experiences for ages 12-18.

Attendees will have the opportunity to learn all about the immersive experiences on offer, the professionals students will work alongside, and the industry sites they will visit. The creators of the experiences will be on-hand for live Q&A.

This webinar is for both parents and students and will take place twice to accommodate different availability. All registrants will receive a recording even if they cannot attend on the day.

Date: Tuesday 6th December

Time: 10:00am ([Webinar Registration - Zoom](#)) or 6:30pm ([Webinar Registration - Zoom](#))

Don't forget that we all have Monday off next week (as if you would...)

Enjoy your long weekend.

Ms C Dunton
Head of Sixth Form
