

# Notley High School & Braintree Sixth Form

Headteacher: Miss M Ryan

May 2022

Dear Parents/Carers

## Year 10 Summer Term PDT Lesson Curriculum Overview

As a part of your child's education at Notley High School & Braintree Sixth Form, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme delivered in PDT lessons.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know the curriculum overview for PDT lessons in Year 10 during Summer term 2 is as follows:

### Summer Term 2

**Finance:** Students will explore why someone might get into debt and analyse the range of risks involved. They will discuss how banks and pay day lenders use advertising to persuade people to use their financial services and the impact of debt on relationships with family and friends. They will explore why people might choose to gamble and identify the support that is available for those with problems associated with gambling.

**Staying Safe:** Students will explore the risks in relation to 'crunch moments' in particular, vehicle safety. They will discuss the skills and attributes needed to overcome risk and explore their responsibilities as a passenger and future driver.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. As a school community, we are committed to working in partnership with parents/carers and we welcome any feedback that you may have. Please do contact me if you would like to find out more about what your child will learn and/or view materials and resources being used in lessons.

Our Relationships and Sex Education Policy is on the school website.

Yours faithfully

Mrs M Robb  
Head of Faculty: PDT, Resilience and Careers
