

Notley High School & Braintree Sixth Form

Headteacher: Miss M Ryan

26 April 2024

Dear Parents and Carers,

Our Year 11 Leavers' assembly will be taking place on Friday 10th May from 11.30am in the Braintree Sixth Form Theatre, following the Science examination in the morning. Study leave will commence after this assembly.

Students are expected to arrive to Café 6 in the Sixth Form building following the end of their examination where they will be able to purchase food from the cafe and use the patio and refectory area. Students will not be permitted in the main school area but are to assemble here until the start of their leaver's assembly. Students will begin entering the theatre from 11:15am; a reminder that they will not be permitted to enter the assembly if their uniform is not being worn correctly.

We expect students to behave impeccably as they would for any other assembly. If for any reason, any students are unable to do this then they will be asked to leave and will be sent home.

Following the assembly, refreshments will be offered to students, and it is at this time that students will have the opportunity to sign shirts and collect their Record of Achievement from the school. No shirt signing will be permitted before this time. Students will then leave the school by 1pm.

Attached with this letter is a timetable for the 'exam warm-up' sessions for year 11 (indicated in blue) which help students to be ready for the exams on the day. For morning exams, these sessions will be taking place between 8.20am and 8.40am. Students will then move to the bag drop rooms to leave their bags, and then to the tennis courts to await the signal to move into the hall. For afternoon exams, these sessions will be taking place between 11.55 am and 12.15pm to then allow students time to go for lunch prior to the exam starting at 1.00pm. Students will move to the bag drop rooms at 12.45 and follow the same process as the morning exams.

Until exams are finished in a subject, the students usual class teacher will be available during normal lesson time on the timetables. If students wish to continue attending lessons, they are able to do this. Please be aware that the school's expectations around behaviour and uniform apply and therefore if students do not follow those and disrupt the learning of the rest of the school, they will be asked to continue their revision at home.

If students have finished a particular lesson that they may have between morning and afternoon exam sessions or they would have core PE, but they still need to remain in school, then the canteen will be available as a supervised space to revise in.

**Learning Together
Succeeding Together**

If students do wish to leave site after an exam, there will be a signing out register in the bag drop room that must be signed before they leave the school site. This must be done even if they are coming back for afternoon sessions and warm-up sessions.

We hope that the students have an enjoyable morning on the 10th May and that they enjoy the celebrations as a marker of their time in the school so far. We wish them the best of luck in their preparations for the examination period.

With very best wishes,

Miss G Burton
