

Notley High School & Braintree Sixth Form

Headteacher: Miss M Ryan

March 2022

Dear Parents/Carers

Year 7 Summer Term PDT Lesson Curriculum Overview

As a part of your child's education at Notley High School & Braintree Sixth Form, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme delivered in PDT lessons.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know the curriculum overview for PDT lessons in Year 7 during Summer term 1 is as follows:

Summer Term 1

Careers 1: Students will explore the meaning of 'career'. They will investigate employment sectors and identify some of the skills and qualities that would make someone suited to work in them. They will also explore how stereotyping can limit aspirations.

Finance 1: Students will explore the difference between a want and a need. They will investigate what influences spending and will create a simple budget. They will look at different payment methods and will consider the pros and cons of borrowing and saving.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. As a school community, we are committed to working in partnership with parents/carers and we welcome any feedback that you may have. Please do contact me if you would like to find out more about what your child will learn and/or view materials and resources being used in lessons.

Our Relationships and Sex Education Policy is on the school website.

Yours faithfully

Mrs M Robb
Head of Faculty: PDT, Resilience and Careers
