Dear Parents/Carers

Year 9 Summer Term PDT Lesson Curriculum Overview

As a part of your child's education at Notley High School & Braintree Sixth Form, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme delivered in PDT lessons.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know the curriculum overview for PDT lessons in Year 9 during Summer term 2 is as follows:

Summer Term 2

Finance: Students will explore what it means to be an ethical consumer and how the choices they make as consumers affect others' economies and environments.

Skills for Success: Students will discuss strategies for managing the transition between KS3 and 4.

Citizenship: Students will explore how laws are made and the powers that police have (e.g. the rules of stop and search). They will discuss any potential misconceptions that they may have of sentencing and the rights young people have within the criminal justice system.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. As a school community, we are committed to working in partnership with parents/carers and we welcome any feedback that you may have. Please do contact me if you would like to find out more about what your child will learn and/or view materials and resources being used in lessons.

Our Relationships and Sex Education Policy is on the school website.

Yours faithfully

Mrs M Robb
