Dear Parents/Carers

Year 9 Spring Term PDT Lesson Curriculum Overview

As a part of your child's education at Notley High School & Braintree Sixth Form, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme delivered in PDT lessons.

PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know the curriculum overview for PDT lessons in Year 9 during Spring term 1 is as follows:

Spring 1

Careers: Students will explore their future career aspirations and the changing world of work, including the ways in which a person can be employed, and their rights and responsibilities in the workplace. They will evaluate their strengths and consider the choices available as part of the GCSE options process.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. As a school community, we are committed to working in partnership with parents/carers and we welcome any feedback that you may have. Please do contact me if you would like to find out more about what your child will learn and/or view materials and resources being used in lessons.

Our Relationships and Sex Education Policy is on the school website.

Yours faithfully

Mrs M Robb
