W5	Mrs Clark Mrs Isik
W6	Miss White Mrs Revell
W7	Mrs Townsend Mrs Salmon
W8	Miss Ford Mrs Olley
W9	Miss Wallace Mrs Haight
W10	Miss Duncan Mrs Simkins
W11	Miss Wilcox Mrs Johnson
W12	Mrs Mackintosh Miss Hurst
W13	Mr Rowe Mrs Bird

A note from the Head of House

We have finally come to the end of what has felt like a very long term! Well done to all our Year 7s who have settled so very well. They have been particularly eager to join in with extra curricular and interhouse events which has been lovely.

We have had many exciting trips and visits including sports tours, trips to the Battlefields and Ypres, Naples with the geography department, the Scholars Programme in Cambridge, the Essex Young Assembly conference and so much more.

Winton are continuing with our winning streak from last year and we are still at the top of the table with House Point totals this term (although Turing are very close on our tail so please don't relax too much!)

I'd like to wish you and all your families a very happy and relaxing Christmas and look forward to seeing you all in January.

Community Spirit

Well done to Matthew Hornsey who has spent his break and lunch times picking up litter around the school site. He and his friend noticed that there was a lot of litter around the school and they wanted to make a difference.

They arranged to get the correct equipment ordered and are now spending their lunchtimes picking up as much litter as they can.

Matthew's message to everyone is 'please don't put your rubbish on the floor—put it in the bin!'

Well done Matthew for taking so much care over our school community!

W10's Assembly this Term

W10 had been spending time learning sign language as part of a Growth Mindset challenge. We used this as the subject of our assembly. We gave out statistics and information about those affected by loss of hearing. Mr Ellis put together a video for us with his daughter. Annabel was born with no hearing and Mr Ellis and his wife are learning sign language in order to communicate with her. She has had cochlea implants and is now beginning to hear but they are still learning sign language as a back up.

We all learnt a number of words and all know how to spell our names out in sign language. We all enjoyed this learning experience and sharing it with our house!

Laura Wilks & Yen Xu W10

Star Students

Congratulations to the students below who have been nominated as star student for a fantastic Autumn term—Well done!

W1	Kareemah Auckloo
W2	Tayla Radley
W3	Sophie Ball
W4	Brooke Newton
W5	Ella Burton
W6	Elizabeth Baktai
W7	Razvan Bulancea
W8	Sergen Eskisan
W9	Amy Santos
W10	Charlie Enderson
W11	Yasmin Greer
W12	Luca Blayney
W13	Alexianne Charlery-Warner

Winton House Charity 2018-2019

As a member of Winton House Council, we spent some time discussing which charity we would like to raise money for this year. I suggested Scoliosis Association UK and this won the vote! I was really pleased as this is a charity close to my heart. In July 2017 I had a number of major surgeries on my back due to scoliosis. There have been another three students here at Notley High School & Braintree Sixth Form over the past 2 years to have had this major surgery. The Scoliosis Association works with families to offer support and guidance during the tough times that they go through from the point of diagnosis to post operation. We are really looking forward to raising money this year for them. Please keep your eyes open for our up and coming charity events!

Tayla Radley W2

Wishing you and your families a very merry Christmas and all the best for the New Year!

We return to school on Monday 7 January 2019 which is a week B
