Winton Newsletter

A note from the Head of House

As we come to the end of our second year of Winton House, I could not be prouder of what we have achieved. I was delighted to be able to announce in our final assembly that we are the overall winners this academic year for having the most house points. As Kieran, our Head Boy said as he got his hands on the trophy, England might not have brought it home but this has certainly come home! I hope we can continue with all the hard work that is clearly going on across the house to make this a regular occurrence,

After all the students' hard work this year, I'd like to wish you all a very happy and safe summer break and I look forward to working with you all in September.

Thorpe Park

On Monday 9 July we took our rewards trip to Thorpe Park and it was a complete pleasure to spend the day with students from Years 7—10. All students were perfectly behaved and enjoyed the thrills of the rides. The Heads of House and Student Support Officers even braved the queues and got their adrenaline fix. A big thank you to Mrs Dennis for organising the trip.

Summer

This year has seen all houses fundraising for local charities. We have held a range of activities throughout the year, including bake sales and cricket matches. This week saw the culmination in the summer fayre. There were a variety of stalls and activities for students to be involved in and to support the local charities. It was great to see so many students involved. Thank you to the parents, carers and students for their donations of cakes, sweets and fruit. We managed to raise a total of £288.63 which was split between the five House charities. Overall this year Winton have raised £731.06 for Wipe Away Those tears which is brilliant and will be able to help local children and families as they did one of our own students.

A note from our House Captains

My name is Lucie Barnes and I am House Captain of Winton, working alongside Georgia Thomas.

We would first like to say congratulations to the newly appointed Head Boy of Notley High School & Braintree Sixth Form, Kieran Cockayne and the Head Girl, Naa Odotei. We are very proud that Kieran is also in Winton, so we look forward to working alongside him and the other senior leaders in Year 11.

Our aim next year is that we will be able to organise lots of interhouse competitions including sport but also competitions for those who are more academic or creative. This is so that everybody can get involved no matter what their greatest skill is. Hopefully this will ensure that we can get to know everybody on a more personal level.

Interhouse Update

Interhouse PE has seen a great number of students and staff compete this year in a broad range of sporting activities including netball, cross country, rounders, football & basketball. Without taking Sports Day into account the totals are:

- **Fifth place** is Winton who finished second place in the basketball and joint third in the rounders competition - 92 points;
- Cavell in **fourth place** and last year's Sports Day winners -104 points;
- In **third place**, the winners of this year's netball shooting, Franklin - 115 points;
- It has been a good year for Parks, and they were **second place** having won the cross country, football and rounders competition - 132 points;
- Leading the pack in **first place** is Turing, the winners of this year's basketball shootout and the house who have gained most of their points from the high numbers of students participating in each event - 151 points.

Following Sports Day, the total points are Turing with 2380, Winton with 2516, Parks in third place on 2642 points and with a few points extra and in second place Cavell have 2677 leaving Franklin to pick up the trophy with 3006 points!
