

# NOTICE TO VISITORS

Before entering the school please ensure you are aware of the current Government advice which is:

**If you have a new continuous cough and/or a fever you should self-isolate for 10 days**

Please can we ask that if you or any of your family members have been tested for Coronavirus, you inform the school as soon as possible. Please advise whether the result of a test is positive or negative.

It would also be helpful if you could let the school know if you or your family members have visited any affected areas.

We hope that you will understand that currently, as a precaution, we will not shake hands when greeting visitors to our school.
