

A watercolor illustration of a woman's face and upper torso. She has large, voluminous black hair that frames her face. Her eyes are a striking blue, and she has red lips. On her right cheek, there is a green and brown patterned mark. The background is a mix of light blue and white washes. Several pink flowers are scattered throughout the composition, and two bees are depicted: one on the right side of her hair and another on a pink flower in the bottom left corner.
