

November 2016

Dear Parents/Carers

Non Uniform Day – Children in Need

The school will be having a non-uniform day on Friday 18 November 2016 to raise money for Children in Need. This year's theme is spots and many schools across the UK are joining the big Spotacular to raise funds for BBC Children in Need.

Children in Need provide grants to projects in the UK which focus on children and young people who are disadvantaged. They are local to people in all corners of the UK and support small and large organisations which empower children and extend their life choices

Students will be asked to make a £2 donation, but if they wish to contribute more they may do so. If you would like your child to bring in a contribution from you this would be acceptable also. Throughout the day there will also be a range of activities arranged by Student Council for students to take part in so we recommend that students bring a small amount of change with them.

In addition, a Year 9 student, Shannon Raymond W3, was nominated for the Jack Petchey award last month for being a caring and conscientious student. Shannon has chosen to spend her award money on cakes and sweets to be sold at break and lunch times during the week commencing Monday 14 November, with all monies going directly to Children in Need.

We hope that you are happy for your child to participate. Donations will be collected by tutors during tutor time.

Please note that students are not permitted to wear items that are inappropriate for the school environment, and that for health and safety reasons, the usual rules regarding jewellery and other accessories still apply. Hair must not be dyed an unnatural colour, even temporarily. No shorts or revealing clothes will be permitted. Any students wearing such clothing will be sent home to change.

Thank you in advance for your support. For more information about Children in Need please visit <http://www.bbc.co.uk/programmes/b008dk4b>

Yours faithfully

Mrs R Kelly
Deputy Headteacher
Notley High School & Braintree Sixth Form
