HOW TO SIZE YOUR CHILD

Our uniform and sportswear garments are generally designed for the best fit. For example, if your child measures 28 inches, then that is the size that we recommend that you buy. If your child is between sizes, then we recommend that you buy the next size up.

Measurements such as height are a better guide than age in choosing the correct size, so if your child is taller than average, it is advisable to order the next size up on tops or trousers.
